This is her upcoming third album which is a playful exploration of human nature, love, desire, curiosity, ambition and other urges that drive us, both physical and spiritual. It retells and twists fairy tales, episodes from history, urban legends - rich old stories that are timeless, ever relevant and relatable. "Great battles of love and life" (Mike Harding) that we all live through, every day. Joined by a seven-piece band comprising some of the best musicians on the folk scene, with Jonny Dyer as the Musical Director, Daria will transport you to an enchanting fairy tale world full of colour and flair, light and shade, passion and intrigue, where stories come to life and "songs aren't just sung, but lived" (FATEA Magazine). The March Hare will be there for your sustenance.

6.6.19, Thursday, 75 years ago, on the 6 June 1944, the largest seaborne invasion force in history set sail for France on a mission to liberate Europe. Each man carried a pack, a rifle, and the world's hopes for freedom. If they didn't succeed at this crucial point during World War II, Hitler would have the chance to mount a last-minute effort to save Germany – launching his new V-weapons against British cities. This day would go down in history as D-Day. Stouts, brown ales and pale ales were the beers of the day and so why not have one and remember.

9.6.19 Sunday, quiz, commencing at 7.30 pm, at the March Hare is about answering the questions and having a good time with friends and so form a team of 2 – 8 players. Test your wits against Dunton's best quiz mistress! The
